

Fifth Wheels by Jayco

Jayco

AMERICA'S MOST **LIVEABLE** RVs.

2010 DESIGNER

Traveling Companion

Common

LUXURIOUS

An oversized sofa, Cloud Ten™ pillowtop mattress, optional Optima leather matching recliners and Provincial Glazed Maple hardwood cabinetry combine to put Designer in a class by itself.

DESIGNER®
Fifth Wheels by Jayco®

LIVEABILITY MEETS SENSIBILITY

sense luxury.

Just because you can afford to spend more on a luxury fifth wheel doesn't mean you should. The 2010 Jayco Designer offers everything you'd expect to find in a high-end fifth wheel, but for less than you'd expect to spend. Created as a luxury suite on wheels, the Designer is ideal for extended stays, long trips or winters in sunnier climates. Because at Jayco, we believe the best things in life shouldn't cost the most.

EFFICIENT

Extend the camping season with our Polar Barrier™ thermal insulation package. Designed for efficient heating and cooling, Polar Barrier™ protects against freezing, even when temperatures drop as low as 0°F (-17°C).

DURABLE

With its TuffShell™ vacuum-bonded laminated sidewalls, one-piece seamless rubber roof and I-Class™ cambered structural steel I-Beam frames, your Designer is built to tackle the elements in style.

A TRADITION OF LIVEABILITY

Starting with our first lifter system in 1968, which made for an easier, more enjoyable camping experience, Jayco has always been about liveability. Today, we're the world's largest family-owned RV manufacturer, yet our priorities remain the same: making RVs more liveable and family time more memorable.

LIVEABLE AND LOVEABLE

For 2010, we took everything you love about the Designer and made it even better. The new Designer features spacious slideouts, well-designed living spaces, a high-end kitchen with DuPont® Corian® countertops and sleeping for up to six adults, making it the first fifth wheel designed to satisfy all your senses.

COZY

At the end of a long day, retire to your private retreat, complete with a Cloud Ten™ pillowtop mattress and a 22" LCD HDTV television in the bedroom.

ELEGANT

A roomy radius shower, an adjustable shower head, glass shower door and skylight are just a few of the bathroom highlights.

Jayco construction

At Jayco, we've built a reputation for superior construction and craftsmanship. We always use top-quality materials and production techniques, giving our products **reliable resale value** and our owners peace of mind.

FLOOR

A 5/8" tongue-and-groove plywood deck on a welded aluminum frame, together with fiberglass and foil insulation (R-22) and a Poly-Flex™ covering, create one of the strongest foundations in the industry.

WALLS

TuffShell™ vacuum-bonded lamination combined with welded aluminum frames and metal backers create a durable structure designed to withstand use and travel.

ROOF

The laminated, vacuum-bonded roof is comprised of 1/4" plywood decking on 5" arched aluminum trusses with bead-foam insulation (R-21) and a seamless rubber shield that protects against moisture and resists aging.

BALL BEARING DRAWER GUIDES

Our new residential-style ball bearing drawer guides provide smooth operation and full drawer extension for a stronger, more substantial drawer and a true home-like feel.

POLAR BARRIER

Our exclusive Polar Barrier™ thermal insulation package lets you extend the camping season by providing protection against freezing (temperatures as low as 0°F or -17°C), greatly increasing your options for winter travel destinations.

Jayco craftsmanship

Jayco's dedicated production team includes Amish craftsmen who build with well-honed woodworking techniques passed down for generations and skilled seamstresses who produce our upholstery, bedding and draperies with great attention to detail.

Jayco liveability

At Jayco, it's always been about liveability.

STOR-GALORE™ BASEMENT STORAGE

Keep your gear safe, dry and out of the way in our exclusive, easy-access storage area with four tie-down rings.

HEATED, ENCLOSED UNDERBELLY

The weather outside may be frightful, but inside it's always warm and comfy.

FIREPLACE

An optional 5,100-BTU electric fireplace gives your living room a cozy ambiance.

HDTVs

The living area boasts an impressive 32" LCD HDTV, while the bedroom features a 22" LCD HDTV.

PATIO AWNING

Extend your living space even farther with the optional Carefree® Travel'r™ 12-volt electric patio awning.

COUNTERTOPS

DuPont® Corian® countertops with a high-gloss finish and bullnose edging add elegance and durability.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle and the RV together before heading out on the roadways. When you tow an RV, you must drive differently than you do when driving a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. See specification chart above.

Unloaded Vehicle Weight (UVW): Sometimes referred to as "Dry Weight," UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories.

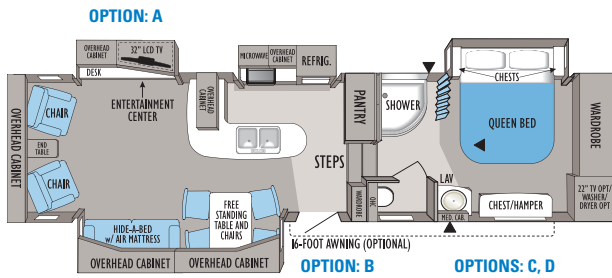

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC.

Hitch Weight (HW): The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight.

2 YEAR WARRANTY

The Jayco Co-Pilot Warranty is a manufacturer's limited warranty. It comes from the people who build Jayco recreation vehicles to the people who buy them. Each Jayco is warranted to the original purchaser for twenty-four (24) months or twenty-four thousand (24,000) miles (mileage limitation applies to motorized products only), whichever occurs first, from the original date of purchase against defects in materials and workmanship. Jayco's limited warranty is not transferable. **Go ahead and compare the Jayco warranty with other manufacturers' warranties. You'll find it's the best in the business!**

For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer.

300 JAYCO DEALERS

Establishing a solid relationship with your local Jayco dealer is a key component in the enjoyment of your new Jayco. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support.

Jayco dealers are required to deliver all products at the site of the sale to ensure a full product orientation and walkthrough at the time of delivery. It's a good way to become familiar with your Jayco and to meet the service, parts and warranty staff members who will be assisting you. If you live in Canada, there are regulations that must be met when buying a Jayco RV. Your local Canadian dealer is a professional at meeting these requirements and regulations. There simply is no substitute for a good relationship with your local Jayco dealer.

1 YEAR ROADSIDE ASSISTANCE

Travel worry-free with Jayco's Customer First Roadside Assistance program, yours at no cost during your first year of ownership. This program is offered through Coach-Net®, the largest RV emergency road service in the country, and gives you immediate access to dependable roadside assistance and support services with a simple phone call.

- Free jump starts
- Free tire changes
- Free fuel delivery
- Free lockout service
- Free travelers checks
- Toll-free nationwide service appointment assistance
- 24-hour toll-free emergency message service
- Free custom trip routing and full-color map service
- Free dispatch of on-site mechanical service
- \$2,000 trip-interruption reimbursement
- RV technical assistance hotline
- Free towing to nearest qualified service

Your Jayco Dealer

Jayco proudly sponsors Tread Lightly!®, a nonprofit organization whose mission is to empower generations to enjoy the outdoors responsibly through education and restoration.

JayPlus

From RV insurance to extended warranties, JayPlus has it covered. Ask your Jayco dealer about our exclusive JayPlus program today.

As a Jayco owner, you can be part of the Jayco Jafari International Travel Club. Ask your dealer about the Jafari "flight" in your area, write Jayco or visit our website.
