CAMPING TRAILERS BY JAYCO

Jayco[®]

AMERICA'S MOST LIVEABLE RVs.

Jay Series Sport®

Getting into the camping lifestyle just got easier with the new Jay Series Sport. More affordable than ever, it combines the amenities you need with the quality that you expect from Jayco®, featuring:

- One-piece construction entrance door
- Corrosion-resistant frame
- Domed, seamless fiberglass roof with lifetime warranty
- DuraTek water-repellent sectionalized tent with five-year warranty
- Ball bearing drawer guides, 50-lb. capacity with full-drawer extension
- Concord Cherry cabinetry
- Non-sliding 4" dinette cushions with reversible EZ-Clean vinyl backs*
- Tinted vinyl windows with fine-mesh screening
- 1,050-lb. rating on bunks
- Seamless floor with Poly Flex covering and lifetime warranty

↑ LIVEABLE FEATURES

CONVENIENT

Whip up dinner in the Jay Series Sport kitchen, featuring an acrylic sink and faucet and stainless-steel carry-out stove.*

FAMILY FRIENDLY

A carry-out dinette table and reversible EZ-Clean vinyl dinette cushions make meals a breeze.

CHERRY CABINETS

Boasting Amish craftsmanship, the Jay Series Sport features Concord Cherry cabinetry.

↑ CERTIFIED GREEN

All Jayco products are green certified by TRA Certification Inc., an independent, third-party certification agency. Jay Series Sport earned gold certification through the use of sustainable materials, environmentally-friendly production methods, energy-efficient components and reduction of waste.

↑ JAYCO CONSTRUCTION

FLOOR

A combination of seamless 5/8" Structurwood, a Poly Flex under-floor covering, and a corrosion-resistant steel frame create one of the industry's strongest foundations.

WALLS

Jayco's double-wall laminated construction, superior to the competition's single-wall structure, is designed to withstand use and travel.

TENT

DuraTek water-repellent tent material, a Velcro attachment system, double-stitching and sturdy vinyl construction combine for durability and long-lasting value.

AMERICA'S MOST **LIVEABLE** RVs.

INDUSTRY-LEADING WARRANTY

The Jayco Co-Pilot Warranty is a manufacturer's limited warranty. Each Jayco is warranted to the original purchaser for twenty-four (24) months or twenty-four thousand (24,000) miles (mileage limitation applies to motorized products only), whichever occurs first, from the original date of purchase against defects in materials and workmanship. Jayco's limited warranty is not transferable.

ADDITIONAL WARRANTIES

Jayco offers to the original purchaser of any of our camping trailers additional industry-leading lifetime parts and labor coverage on our lifter system, roof, floor and frame. We also offer five-year (5) coverage on our tent with parts, labor and freight covered the first two years; parts, factory labor and return freight during years three, four and five.

For a copy of the limited warranties with full terms and conditions, ask your local dealer.

OVER 300 LOCAL DEALERS

Establishing a solid relationship with your local Jayco dealer is a key component in the enjoyment of your new Jayco. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support.

Jayco dealers are required to deliver all products at the site of the sale to provide a full product orientation and walkthrough at the time of delivery. It's a good way to become familiar with your Jayco and to meet the service, parts and warranty staff members who will be assisting you. If you live in Canada, there are regulations that must be met when buying a Jayco RV. Your local Canadian dealer is a professional at meeting these requirements and regulations. There simply is no substitute for a good relationship with your local Jayco dealer.

1-YEAR ROADSIDE ASSISTANCE

Travel worry-free with Jayco's Customer First Roadside Assistance program, yours at no cost during your first year of ownership. This program is offered through Coach-Net, the largest RV emergency road service in the country, and gives you immediate access to dependable roadside assistance and support services with a simple phone call.

- Free jump starts
- Free tire changes
- Free fuel delivery
- Free lockout service
- Free travelers checks
- Toll-free nationwide service appointment assistance
- 24-hour toll-free emergency message service
- Free custom trip routing and full-color map service
- Free dispatch of on-site mechanical service
- \$2,000 trip-interruption reimbursement
- RV technical assistance hotline
- Free towing to nearest qualified service

Your Jayco Dealer

Jayco proudly sponsors Tread Lightly!, a nonprofit organization whose mission is to empower generations to enjoy the outdoors responsibly through education and restoration.

Unloaded Vehicle Weight (UVW): Sometimes referred to as "Dry Weight," UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories.

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

From RV insurance to extended warranties, JayPlus has it covered. Ask your Jayco dealer about our exclusive JayPlus program today.

Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC.

Hitch Weight (HW): The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight.

As a Jayco owner, you can be part of the Jayco Jafari International Travel Club. Ask your dealer about the Jafari "flight" in your area, write Jayco or visit our website.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle before heading out on the roadways. When you tow an RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. See specifications chart inside.
