Gross Vehicle Weight Rating (GVWR): The maximum permissible weight of the motorhome, including the Unloaded Vehicle Weight (UVW) plus passengers, personal items, all cargo, fluids, options and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the Cargo Carrying Capacity.

Gross Combined Weight Rating (GCWR): The maximum allowable combined weight of the motorhome used as a tow vehicle and the attached towed vehicle.

It is important for your safety and enjoyment that you are aware of the weights and tow ratings of the RV you select. Consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your RV before heading out on the roadways. When you tow a vehicle with your RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. Refer to that label to verify the vehicle will meet your requirements.

THE JAYCO DIFFERENCE

- 120" panoramic windshield** equipped with oversized wiper blades to allow for maximum visibility
- Exterior entertainment center** comes standard with an LED TV mounted on a swivel bracket
- One-piece seamless fiberglass roof** offers unmatched durability
- Lockable pass-through storage** with easy-to-use Slam-latch™ doors
- Seatbelts in every designated seating position** secure the most precious cargo
- Frameless windows** make exterior maintenance easier than ever and give the unit a sleek modern look
- Stronghold VBL™** vacuum-bonded, laminated floor, sidewalls and roof

JRide Plus® is a powerful blend of precise handling and renowned stability. Hands down, it's the best ride.

Experience JRide Plus for yourself—visit your local dealer and take a test drive.

COMPUTER-BALANCED DRIVESHAFT

Ensures smooth and efficient power transfer from the engine to the wheels

HEAVY-DUTY FRONT STABILIZER BAR

A larger bar and polyurethane bushings, instead of rubber, transfer power faster for extra support, more stability and easier handling

JOUNCE BUMPERS

Assist during extreme road occurrences to absorb impact and dampen excess road noise

SACHS SHOCK ABSORBERS

Large-diameter tube design pairs gas and hydraulics to resist heat and pressure while independently adjusting to changing road conditions

STANDARD REAR STABILIZER BAR

Reduces the body roll of a vehicle during fast cornering or over road irregularities

2+3
YEAR LIMITED WARRANTY

NO ONE OFFERS A BETTER WARRANTY

At Jayco, we build our RVs to handle every adventure, then back them with our **industry-leading 2+3 Warranty**. Our 2-year limited warranty has you covered for 2 camping seasons. That's **730 days**. In addition, our 3-year structural warranty has you covered for **3 camping seasons or 1,095 days**. You won't find a better warranty in the business, because the only strings we attach are those that deliver the ultimate in reliability. That's the Jayco difference. So go explore. For a copy of our 2-year limited + 3-year structural warranty with complete terms and conditions, please contact your local Jayco dealer.
